**A girls' school.** St Mary's puts the interest of girls first, allowing them to reach their full potential in all that they choose to do.

## ABOUT THE SCHOOL

St Mary's is a leading Roman Catholic girls' boarding school set in 55 acres of beautiful grounds in the Berkshire countryside, a 45 minute journey from London, and a 20 minute walk from Ascot train station. The school was founded in 1885 by the Institute of the Blessed Virgin Mary, drawing on the inspiration of the Institute's foundress, Mary Ward, who dedicated her life to promoting girls' education across Europe in the 17th century. Mary Ward's belief, that 'women in time will come to do much', infuses the very fabric of St Mary's to this day.

St Mary's is a boarding school, with only a handful of day pupils who live nearby. The majority of our intake is at Years 7 and 9. Very few girls leave at the end of Year 11. The girls follow a full and challenging academic curriculum throughout the school day. In the afternoons and evenings and on weekends, they take advantage of a vast range of activities, including visiting speakers, academic support sessions, clubs and societies, sport and trips.

The school continues to invest in the development of first class facilities. These include a state-of-the-art performing arts centre, a purpose-built sports complex and all-weather athletics track, two libraries, a new pupil refectory, and most recently a sixth form boarding complex.

The Headmistress is a member of HMC (Headmasters' and Headmistresses' Conference), the GSA (Girls Schools Association), CISC (Catholic Independent Schools Conference) and the BSA (Boarding Schools Association).
